Please note: Each registration automatically applies to the arena geisingen International and the European Cup. **The registration is only valid upon full payment of the participation fee.**

→ **Please note: The payment must be made within 8 days; otherwise, the starting spot will be forfeited.**

4.1 Extra registration info top skaters:

NEW: Top skaters pre-registration, opened from 24.12.2024 - 06.01.2025: [A list of skaters](#) based on criteria can register earlier than the normal 'open' registration. The list with the criteria and skaters will be published. Only skaters in the list can sign in for the pre-registration (names will be checked according to the list). When you are in the sprint and long list you could sign in for both distances. If you only are on the sprint or long list, then you can sign in your secure spot just for that distance. If you want to skate the other distance too, then you have to wait for the normal registration to open at 14.01.2025 to register yourself and secure your other spot in that new distance.

Cadet, Youth and Junior: When your name is on the list you could sign in for sprint, long or both in the pre-registration, according to your status. Results in younger categories are valid to sign in the non-senior categories. Results in these non-senior categories are not valid for registration in the senior categories. The only exception is for some criteria raced in junior which are valid in senior.

The top skaters pre-registration will be **closed on 06.01.2025 23:59**.

→ **Regular registration** for all athletes will open on **Tuesday, January 14th, at 12:00 noon** (Central European Time).
