7. New at agi2025

- ❖ New Registration Platform: Skateresults: Please read the information file for clarification at: <https://docs.skateresults.app/european-cup/registration/>
- ❖ **Tickets via the Dobbin Sprint Qualification:**
For the Youth, Junior, and Senior categories, for which no regular starting spots are available once the participant limits are reached, and those who can only register for the Dobbin Sprint, there is an **additional opportunity** to qualify for the **500m+D** races or the **Long Distance**. During registration for the Dobbin Sprint, you can choose which of the two above-mentioned races you wish to enter, provided you qualify for them.
From the result list of the Dobbin Sprint, exclusively those who do not have an official starting spot for the race on Friday will be filtered out. **10 (15 for seniors' category) skaters** from this list will receive a starting spot for the Sprint race, and **10** skaters for the Long Distance on Friday.

This provides **athletes** who did **not secure** an official starting spot with an **additional chance** to qualify after the participant limits are reached.

This procedure does not apply to the Cadet category.

- ❖ **500m+D Repechage Round:** In the Long Distance races, athletes have the opportunity to qualify for the next round through the B, C, or D finals. The **agi2025** also offers this chance for the 500m+D for the first time. In the Junior and Senior categories, there will be a Repechage Round for the first time. The winners of the Repechage round will qualify for the 1/8 finals. The exact qualification process will be described in the following file: [500m+D EXPLAINER Repechage rounds](#)
- ❖ **Waitlist:** In the Youth, Junior, and Senior categories, 10 athletes can be placed on the waitlist. As soon as a spot on the official starting list becomes available, skaters on the waitlist will be notified that they have been granted an official starting spot. The skater should be already register in the Dobbin Sprint.
- ❖ **Cadet Waitlist:** After the participant limit for the Cadet category has been reached, there will be a waitlist for this category, where 10 athletes will receive a spot. Once an official starting spot becomes available, we will inform the participants via email.
