INFORMATION

Besides the direct places for sprint and long distance we kept 10 places open in the categories youth, juniors and seniors. These places will go to the skaters who have registered extra for the Dobbin Sprint and not have a place for the sprint or long distances directly.

1. After the Dobbin Sprint Qualification we will make a **separate list** of the skaters who extra registered-paid for the Dobbin Sprint with option sprint and/or extra for Dobbin with Long Distance.
2. We will **sort** the new list by times of the Dobbin Sprint Qualification
3. a. Sprint: The **first 10 skaters** marked with **sprint** will have a start place for the 500m+D
3. b. Long: The **first 10 skaters** marked with **long** will have a start place for the Long Distances

Note. In some categories there may be less than 10 skaters for the Dobbin Sprint and some categories can be more. This is an extra
