

## Topskaters list preregistration list

### 4. Registration

Registration for the arena geisingen International and the Swiss Championships (Track) can only be made via the link on <https://skateresults.app/agi-2026/info>.

Please note: The registration is only valid upon full payment of the participation fee.

- **Please note: Payment must be made within 8 days; otherwise, the starting spot will be forfeited.**
- The **regular registration** for all athletes opens on **Tuesday, 20 January 2026, at 13:00** (Central European Time).

### 4.1 Extra registration info top skaters:

**Top skaters pre-registration, opened from 06.01.2025 - 13.01.2026:** A list of top skaters based on criteria can register earlier than the normal 'open' registration. The list with the criteria and skaters will be published. Only skaters in the list can sign in for the pre-registration (names will be checked according to the list). When you are in the sprint and long list you could sign in for both distances. If you are listed only for the sprint or only for the long distance, you may secure your spot only for that distance.

If you also want to skate the other distance, you must wait until the normal registration opens on 20.01.2026 to register and secure your spot in the additional distance, the registration link is <https://skateresults.app/agi-2026/info>.

Juniors who are listed in the ranking may register according to their status for the sprint, the long distance, or both distances. Only juniors who are also listed in the senior category selection may register in the senior category.

The pre-registration for top skaters will be **closed on 13.01.2026 23:59**.

#### **Please note:**

This list has been created with great care and according to the defined selection criteria. However, it is possible that some names appear twice due to different spellings or variations in name order.

If you notice any inconsistencies or issues, please inform us **before 24 December 2025**. We will then update the list to ensure that all athletes can register correctly according to the matched criteria during the registrations dates.
