- ❖ **500m+D Repechage Round:** In the long-distance races, athletes have the opportunity to qualify for the next higher final via the B, C or D final. In all Junior and Senior categories, there is a repechage round. The winners of the repechage round qualify for the Round or 1/4 or 1/8 finals. The exact qualification format is described in the following file: [500m+D EXPLAINER Repechage rounds.pdf](#)
- ❖ **Waiting List:** In all categories (**Cadets, Youth, Juniors and Seniors**), **a waiting list will be created once the specified participant limits are reached.** As soon as a place on the official start list becomes available for the 500m+D or long-distance races, skaters on the waiting list will receive a notification that they have been allocated an official starting spot.
- ❖ **Tickets for the Dobbin Sprint Qualification:** (*Registration only possible from the end of February.*) For the Youth, Junior and Senior categories, those on the waiting list will have the option to register exclusively for the Dobbin Sprint. This registration provides an additional opportunity to qualify for the 500m+D races or the long distance. During registration for the Dobbin Sprint,

participants can choose which of the two above-mentioned distances they wish to compete in, provided they qualify.

From the Dobbin Sprint results list, those who do not have an official starting place for Friday's race will be selected. The best 10 athletes from this list will receive a starting place for the sprint distance and 10 for the long distance on Friday.

This gives athletes who did not receive an official starting place after the participant limits were reached an additional opportunity to qualify.

**This procedure does not apply to the Cadet category.**

## **8. Timekeeping**

Timekeeping will be done using an active transponder (Mylaps.com). Attention! Other transponders are not compatible with this system and therefore cannot be used.

If the chip is not returned by Sunday evening at 20:00, a fee of €100 per missing chip will be charged immediately.
