1. Overall scoring

○ Löwen Cup – summer cup overall

The results of the overall will be taken from the result of the two-day competition. The top three finishers in each category will receive trophies, all other participants will receive a medal.

○ Löwen Cup first year's competition (Einsteiger) overall

There is a special class for the beginners (first year's competition skaters (Einsteiger)) in the Pupil C, B, A and Cadet a mixed gender category. All races for the Einsteiger will be on Saturday with an overall result.

- Placement in the race equals points. In the event of a tie in total points, the better placement in the final race determines the ranking. All individual distances count for the overall ranking. If a skater does not start a race, he will receive the last place in his group plus a penalty point. Winners will be determined in each category. (Pupil D – A, Cadet and Youth for ladies and men.)
