Updates to the program

- Not for all categories the races will start with qualifications sprint race. So some will start with the parcours. Parcours will be ready to try on Friday evening.
- At long distance some categories will skate with girls and boys together, but there will be separate classification.

Good to mention

- **Indication times and fixed times.** We will have on our program indication times with "±" and times in Magenta. The Magenta times is what we hold as minimum. The indication times is what we try to follow. All skaters have the responsibility to be on time in the area of call according to the order of races. If your name is called twice, you will not start.
- **Team leader and delegates meeting Löwen Cup:** Saturday, **10:00**, morning before the races we have a meeting to explain the races and to answer questions.
- **Technical Meeting Road Race BWIC:** Saturday, 11:30, Start-Finish
- **Hot Weather Information:** The temperatures are expected to be very high. Please come prepared for the sun by bringing your own team tent, canopy, or umbrella for shade and protection, as the arena does not have extra tents available.
We also recommend using sunscreen regularly and staying well hydrated throughout the day. Please make sure to drink enough water before, during, and after the races

Organisation Map

Rain races

The current weather forecast is changeable. Our goal is to hold all scheduled outdoor races as planned.

We will continue skating outdoors as long as the weather conditions allow and there are no official weather warnings or safety concerns. In the event of severe weather (such as heavy rain, thunderstorms, or lightning), the organisation may adjust the schedule or move races indoors where possible.

Please bring your rain wheels and any outdoor equipment (e.g. team tents) to help keep your club/team dry and prepared for changing conditions.
